HOTEL INTERNATIONAL.

SAN FRANCISCO,.....CALIFORNIA.

THE UNDERSIGNED invites the attention of the travelling public, and strangers in particular, to the merit of this house. It was established under the present management, on the first day of January, '56, as a FIRST-CLASS HOTEL, in every particular.

The Lessee and Manager, with a delicacy not wishing to encroach upon the merits of other houses, cannot but recall the marked favor with which his enterprise has been received by a discriminating public, in a constantly increasing patronage of the first respectability, showing conclusively the superior mode in which this hotel is conducted.

It is contiguous to all of the most popular places of amusement, the principal thoroughfares, the fashionable promenades and steamboat landings; thus rendering it at all times, the most DESIRABLE STOPPING PLACE FOR FAMILIES AND SINGLE GENTLEMAN. during their stay in San Francisco.

Single rooms, with full board, $2.50 per day.

JOHN J. HALEY,
Proprietor.

The "International Hotel Coach" is in attendance at all hours, to convey Passengers to and from the Hotel, for $1.00 each including baggage. tc

A CARD.

IT HAVING BEEN the subject of remark with persons passing the corner of Government and Yates-streets, that the buildings lately removed thereto were not in accordance with the general line of the street, I would state that I, being the one attached to the Land Office, whose duty it was to make the original survey and plans, and mark out the property in question, am kindly authorised by the Surveyor General, publicly to state that he has personally examined them, and is fully assured of their accuracy—the error in position of the Buildings being directly attributable to the contractors having removed the fence, on the street side of which the corner posts were nailed, without having previously marked their corresponding points on the ground.
